September 7, 2016

Honorable Mayor and Members of the City Council

Ladies and Gentlemen,

In compliance with state law and Section 5.02 of the City Charter, submitted herewith is the proposed budget for the fiscal year beginning October 1, 2016 and ending September 30, 2017, and including the Five Year Capital Improvement Plan.

The budget process begins with the preparation of the initial draft budget based upon projections of current year revenues and expenditures and the administration's insight into the City Council's wishes. The initial draft is reviewed with the City Council and modified as necessary. The TRIM (Truth in Millage) Bill, enacted by the 1979 Florida State Legislature, requires two (2) public hearings on the proposed budget and millage. The first hearing is advertised via tax notices from the Orange County Property Appraiser's office, and the City advertises the second hearing in the newspaper and on the City's website. The citizens of Belle Isle have the opportunity to express their sentiments at any of the meetings. Once the budget and millage are adopted, they are formalized by the reading and enactment of three resolutions. These resolutions include establishing the ad valorem tax levy upon assessed real and business personal property tax roles for 2016, adopting the Annual Budget for the Fiscal Year 2016-2017 and the adoption of the Five Year Capital Improvement Program.

The General Fund budget Ad Valorem tax rate is 4.4018, the same as the previous six fiscal years. The taxable base for the City of Belle Isle has increased for the fifth year in a row. According to the Property Appraiser's July 2016 certification, the taxable value of real and personal property is \$637,008,672 for the 2016-2017 budget year (an increase of \$22,862,377 from last year's July certification).

This budget year our City will continue to improve its infrastructure. This will include the resurfacing of Windsor Place, Venetian, Parkway Drive, Pasadena, McCawley Ct, and Conway East. These improvements will cost approximately \$320,000.00. We have also budgeted \$30,000 for sidewalk repairs. Two stormwater drainage projects that will be completed this year will be brought forward from FY 15/16. These include the Gene Polk Park/Delia Beach Drainage Project which is budgeted for \$180,000 and the McCawley Ct Drainage Project which is budgeted for \$14,000. Also, \$80,000 has been budgeted for the repairs to the Police Department building.

We have significantly increased reserves in the Stormwater Fund, due to the stormwater fee increase last year, which is exceptionally important to cover the cost of the aging stormwater metal pipes that continue to fail. In FY 15/16, we saw the failure of multiple pipes with a high replacement cost. These metal pipes are being replaced with plastic pipes that are expected to have a considerably longer life span. For FY 16/17, we have increased Stormwater repairs and maintenance by \$100,000 to handle this expense.

During this past fiscal year, we have accomplished numerous beneficial projects and tasks. We were able to surplus/replace many outdated vehicles including the purchase of the Public Works Manager's maintenance truck and the Marine Patrol truck. In this budget, we will also continue to update our vehicle fleet. We have budgeted for the addition of two new police department vehicles and a replacement of the Public Works secondary truck. We are expecting to replace our Code Enforcement car in FY 17/18. Other accomplishments this past year include the paving of many streets, increased communication for residents by issuing city phones/Ipads to Mayor and Council, implementing AgendaPal to provide immediate access to meeting audio, began work on updating City Code, increased City Hall security, and completed a salary study/job descriptions to ensure our employees are paid fairly.

Our reserves have continued to grow over the past several years. On September 30, 2015, our general fund reserves were \$2.13m, or 45% of 2015 expenditures. Our City Auditors and the Florida League of Cities have suggested that all Cities' maintain 20% of their annual general fund expenses for reserves. As we are way above this recommendation, instead of raising our millage rate, we have budgeted to fund several of Council's requested items using a portion of our reserves. Even so, we are still expecting to maintain 32-33% of our 2016 expenditures in our general fund reserves. Some of the Council's high priority requests that we will be able to accomplish include critical street resurfacing, sidewalk repairs, salary and pension increases for our employees, funding for Tree City USA, a City-Wide Tree Evaluation, repairs to the Police Department building and funding the Neighborhood Grant Program. It is not projected that our City will incur any new debt in FY 16/17. In fact, we will see an estimated savings of 4.8% as we are in the process of refinancing our 2006 FMLC bond.

I would like to thank Mayor Pisano, City Council, our dedicated City employees and the citizens in our community, who continue to move our City forward in a positive direction.

Respectfully,

A handwritten signature in blue ink, appearing to read "Frank Kruppenbacher".

Frank Kruppenbacher
Acting City Manager

MILLAGE RATE TEN YEAR HISTORY

MILLAGE RATE is the tax rate on real and personal property, with one mill equal to \$1.00 per \$1,000 of assessed property value. The **maximum millage rate** is the maximum millage that a county or municipality may levy with a simple majority vote of the governing body; other voting requirements will allow a municipality to adopt a millage rate in excess of the maximum millage rate. The **rolled-back millage rate** is the tax rate which produces the same amount of taxes as levied in the prior year when calculated against the current year's tax base exclusive of new construction.

FISCAL YEAR	TAX YEAR	Adopted Millage Rate	
2007-2008	2007	3.4068

Judgements, Fines, and Forfeitures	12,500
Miscellaneous Revenue	4,500
TOTAL REVENUES & BALANCES	\$ 7,409,445

GENERAL FUND REVENUES

AD VALOREM TAXES

Ad Valorem Taxes are levies against property within the Belle Isle city limits. The Orange County Property Appraiser's office establishes the taxable value of each parcel of property and the City's millage rate is applied to calculate the taxes due. For the budget year 2016/2017, the **adopted** millage rate is 4.4018 mills (\$4.40 tax for every \$1000 worth of value). The approved millage rate will be levied against properties within the City of Belle Isle.

LOCAL OPTION TAXES

The Local Option Fuel Tax is used to fund transportation expenditures. The 1-6Cents Local Option Fuel Tax is the tax of 1 to 6 cents on every net gallon of motor and diesel fuel sold in Belle Isle. This tax has been automatically imposed on diesel fuel at the maximum rate of 6 cents since January 1, 1993, pursuant to a policy of statewide equalization of diesel fuel tax rates.

UTILITY SERVICE TAXES

Utility service taxes are levied on all purchases of electricity delivered in the City.

OTHER GENERAL TAXES

Other General Taxes include the revenue received for occupational licenses.

PERMITS, FEES, AND SPECIAL ASSESSMENTS

Permits, Fees, and Special Assessments include all building permits issued within the City, zoning fees, garage sale permits, boat ramp decals/registration, tree removal permits, and the permit for having a rental property in the City. Permit fee revenues vary substantially from year to year.

FRANCHISE TAXES

Franchise Taxes are collected from the sale of telecommunications, natural gas, and solid waste services within the Belle Isle city limits. These revenues are collected in return for granting a privilege or permitting the use of public property.

FEDERAL AND STATE GRANTS

The City currently receives grant revenue from Orange County Public Schools for the School Resource Officers and the Department of Justice for the Byrne Grant.

STATE REVENUES

The City receives funds from the State of Florida for taxes they collect on its behalf, including Revenue Sharing, Alcoholic Beverage Licenses, and Half Cent Sales Tax.

CHARGES FOR SERVICES

Charges for Services include the fees the City charges to provide solid waste service.

PUBLIC SAFETY

Public Safety revenue is collected as a fee for providing fingerprinting service.

JUDGEMENTS, FINES, AND FORFEITS

Judgements, Fines, and Forfeit revenue include the collection of judgments, parking fines, and moving violations written within the Belle Isle city limits.

MISCELLANEOUS REVENUE

Miscellaneous Revenues are revenues that do not fall within the definition of any of the other revenue groups previously described. These revenues include interest earnings and can vary from year to year.

Department 511—Legislative

All legislative powers of the City of Belle Isle are vested with the City Council. The City Council may by ordinance or resolution prescribe the manner in which any power of the City of Belle Isle shall be exercised. The Council consists of seven (7) members, one from each of the seven (7) districts within the City. Council members are elected at large and serve for a term of three (3) years.

Department 512—Executive Mayor

The Mayor is the titular head of the City of Belle Isle and the official spokesperson. He/she is responsible for conducting the City Council meetings, setting the order of business on the Council agenda and is the liaison for intergovernmental relations as delineated in the Charter of the City of Belle Isle. The Mayor is elected at large and service for a term of three (3) years and shall serve until his/her successor takes office.

Department 513—Finance, Administration and Planning

The Department includes the City Manager, City Clerk, Finance Manager, Code Enforcement Officer and Administrative Assistant and is responsible for the administration of the daily affairs of the City government. Under the direction of the City Manager; this includes General Administration, departmental coordination, finance, accounting, budgeting, planning, code enforcement, comprehensive planning, public safety, public records administration and all other duties and tasks as may be assigned.

Department 519—General Government

General Government includes the allocations for the public safety and welfare of the City of Belle Isle's residents (fire protection), legal and professional services, sanitation (solid waste disposal and recycling), general liability insurance, reserve accounts and special projects and programs.

Department 521—Police Department

The Belle Isle Police Department has 17 permanently assigned personnel. They maintain public order and the enforcement of Federal, State and Local Laws and Ordinances.

Department 541—Public Works

Public Works/Streets and Roads has one (1) permanently assigned personnel. The Public Works Department is responsible for street sweeping, maintenance of streets/roads and signs, drainage structures and swales, City Hall, building maintenance and all other tasks that may be assigned.

**Adopted Budget
2016-2017**

Department 511 Legislative

All legislative powers of the City of Belle Isle are vested with the City Council. The City Council may by ordinance or resolution prescribe the manner in which any power of the City of Belle Isle shall be exercised. The Council consists of seven (7) members, one from each of the seven (7) districts within the City. Council members are elected at large and serve for a term of three (3) years.
