Welcome, and thank you for your interest in the City of Belle Isle.

The Annual Budget serves as the foundation for the City's financial planning and control. The budget provides a comprehensive program for providing quality services to the Belle Isle community based upon conservative revenue estimates. This budget effectively meets the service delivery needs of the citizens of Belle Isle.

This document is the culmination of months of hard work by many individuals. I want to express appreciation to the City Council, the City Manager, the Department Heads, and particularly the Budget Committee for their continuing efforts with the budget process. Notwithstanding limitations and challenges that the COVID-19 Pandemic caused, City staff continues to maintain quality services that our citizens enjoy at a very reasonable cost; their dedication is impressive. I hope readers of this document will find it beneficial in understanding the City's financial organization, position, and condition.

Whether you live here, work here, or are a visitor interested in learning more about the City, it is our pleasure to assist you in any way we can. It is an honor to be Mayor of such an outstanding City.

I look forward to a productive 2020-2021 year.

CITY OF BELLE ISLE ADOPTED ANNUAL BUDGET

October 2020—September 2021

CITY MANAGER ROBERT G. FRANCIS 2020

Honorable Mayor, Members of the City Council, and Citizens of Belle Isle:

I am pleased to submit the Fiscal Year 2020-2021 Preliminary Operating and Capital Budget in accordance with the City Charter.

We are in unprecedented times. It is important to note the FY20-21 proposed budget includes financial impacts as a result of the COVID-19 Pandemic. In fact, it is likely we will not know the financial impact of COVID-19 in time to alter the budget prior to the legally required deadline of September 30, 2020. We will also keep a close eye on the how resources from the Federal CARES Act legislation impacts the State of Florida and Orange County.

Notable Financial Assumptions:

- * submit a balanced budget to the City Council
- * maintaining current excellent levels of service to the community
- hiring in new or vacant positions will not occur unless it will impact service delivery
- proposed revenues across all funds increase 3.5% from FY19-20 amended budget
- proposed expenditures across all funds decrease 2.7% from FY19-20 amended budget
- proposed revenues will exceed proposed expenditures by \$274,901 across all funds
- funding for the Bank of America purchase is included in this budget

BUDGET MESSAGE

As presented, this represents a balanced budget for the upcoming fiscal year without raising property taxes. Although the Council may have wanted to consider raising the millage rate this year, the City is required to certify the taxable value and proposed millage rate to the County by August 4th. This prevented the City from increasing the rate for this year; however, the City can continue to discuss a millage increase for the FY21-22 year.

At the mid-point in the FY19-20 budget, the Council created a Budget Committee. This Committee, made up of citizens from each of the City's seven voting districts, is responsible to review and make recommendations on the annual operating budget as proposed by the city manager; to review and make recommendations on annual capital expenditures as proposed by the city manager; to review and make recommendations on supplemental appropriations and expenditures and

other budgetary action whenever proposed by the city manager; to review any audit reports submitted on behalf of an auditor for the City as such report(s) become available and to review revenue and expenditure reports periodically as may be amended from time to time.

This budget calls for no new revenues, but as part of the Committee's recommendation, the 3% utility tax for the electric utility will be dropped, and in its place, the Committee recommended a 3% franchise fee for an electrical utility. The City will continue to account for expenses in the fund in which they occur. The FY19-20 budget was the first year that the City accounted for employee expenses in the fund where they occur, which provides a more accurate accounting of expenses in the fund. For example, the City Manager, Finance Director, and Public Works provide services to stormwater and the charter school, and this budget distributes those costs to the other funds based on a percentage of time spent in those funds.

2020 BUDGET MESSAGE—continued

The City continues to look at repairing and replacing its aging infrastructure, especially in the stormwater infrastructure. We continue to repair and replace much-needed infrastructure and equipment that was in very poor shape; we completed projects that will benefit the citizens for years to come; we continued to fund many one-time projects. Last year, the Budget Committee and the Council approved a Stormwater Capital Improvement Program (CIP) that prioritizes what stormwater systems require repair or replacement based on the assessments made by the City Engineer. Associated with this CIP is a \$10 increase to the City's stormwater non-ad valorem assessment for FY20-21 and an additional \$5 per year increase for the next five years. All city employees need to be commended for the accomplishments that we have done this past year by providing the highest level of service to the community.

Flooding problems, renovating the Bank of America property, annexation, and continuing to work with Cornerstone Charter Academy will be the focus for this fiscal year. The City has identified many places in the City where flooding continues due to inoperable grass swales or corroding pipes. This next year, the City public works will focus on reconditioning the grass swales and replacing pipes. The City will look to install Rectangular Rapid Flashing Beacons (RRFB) on Hoffner Avenue this year in the vicinity of Monet Avenue and Pleasure Island Road. The Monet RRFB is already approved by Orange County, and we should have the approval of the RRFB at Pleasure Island Road within this budget year.

This budget maintains the current level of service from FY19-20. Due to the continuing effects of the Pandemic on the state and county, the City is not planning any large construction projects this year. We are concentrating our resources on maintaining our current level of service, the safety of our employees, and completing some smaller projects that may have been delayed from last year.

The budget is balanced with revenue from ad valorem and non-ad valorem taxes (franchise fees, state shared tax receipts; solid waste collection fees; fees for stormwater management; reimbursements for law enforcement; and development and review fees.

As a quick overview, below is the preliminary budget for FY20-21 for all funds compared to the FY19-20 amended budget (minus reserves):

GENERAL FUND PRELIMINARY BUDGET

The General Fund provides approximately 82% of the total operating budget for all governmental funds. The total preliminary General Fund budget is \$9,277,526, an increase of \$356,677 (4%) from the FY19-20 amended budget.

FINANCIAL OUTLOOK

The City does not have many funds. The two main funds are the General Fund and the Stormwater Fund. General Fund revenues will decrease from the original FY19-20 budget. This is mostly due to a decrease in State Shared Revenues and sales tax due to the Pandemic. We are not expecting these revenues to rebound, at least in the first half of the fiscal year. We still expect that property values will increase, therefore increasing the Ad Valorem (property tax) by approximately

6% even though there is no millage rate increase again this year.

As stated above, the Council, on a recommendation from the Budget Committee, rescinded the Electrical Utility Tax of 3% and replaced it with an Electrical Franchise Fee of 3%. Although it appears that total "other taxes" decreased by 28%, the total Licenses and Permits increased by approximately 64%. Building permit fees are less in FY20-21 due to the building of a new hotel in FY19-20, but we expect to see an expansion of another hotel. The City approved a 3% increase for the solid waste and recycling company, which is a contractual increase. Therefore, the residential rate will go from \$20.47 (\$245.64 annually) to \$21.07 (\$252.84 annually). There was a delay in getting the red light cameras installed in FY19-20; therefore, we look at having them going at the beginning of this fiscal year. The City reestablished itself in MetroPlan Orlando and continues to strengthen its partnership with Orange County. Doing so will provide the City with additional resources to continue to provide necessary services to the community at lower costs.

The Stormwater Fund does not have the stability that is in the General Fund, but with the adoption of the CIP, this fund, over the next few years will become more stable. Charges for services will increase by 20%. The City continues to repair and replace stormwater infrastructure to reduce or correct areas that flood during periods of high rain. The City is making progress in this area, but we still have 3-5 years of repairs to get ahead of the problem.

HIGHLIGHTS OF THE PRELIMINARY BUDGET

The FY20-21 preliminary budget contains funding for on-going services to the community. The following reflect some of the highlights and assumptions regarding the budget:

General Fund

- Millage to remain at 4.4018
- * Increase in non-ad Valorem assessments; garbage will increase to \$252.84 and stormwater to \$120/EDU
- * Establish 3% Franchise Fees for Electric
- Rescind 3% Electric Utility Tax
- * Increase in Fines with the addition of Red Light Cameras
- * Implementation of the Police Pay Plan
- * 3% COLA for employees not covered by the Police Pay Plan
- Reduction of Salaries and Benefits as they are accounted for in the Stormwater Fund and Charter Debt Service Fund
- No transfers to Equipment Replacement Fund and Charter Debt Service Fund
- Debt for the purchase of the BOA property

Transportation Impact Fees

* Traffic Improvements - \$35,000 for RRFB on Hoffner Ave.

Stormwater Fund

- * Revenues increased \$67,700 due to \$10/EDU increase approved in CIP
- * Stormwater CIP has four small longstanding projects
- * Salaries and Benefits included for work done in this fund

Charter School

- * Eliminate \$150,000 transfer from General Fund
- * Roof Repairs to Field House

REVENUES

Taxes and Fees

Revenue projections are based on historical data and financial forecasts provided by City staff, Orange County, and the Florida League of Cities for state shared revenues.

Ad Valorem Taxes

The proposed property tax rate for FY20-21 remains unchanged at \$4.4018 per one thousand dollars (\$1,000) of assessed value. The current year taxable value for property in Belle Isle is \$842,860,574 (6% increase from \$794,985,303). The total budgeted ad valorem revenue, \$3,524,598 increased \$200,200 (6%) from last year (\$3,324,398). The current year's budgeted tax receipts are based on the total valuation of property for purposes of taxation, the general economic environment, and a collection rate of 95%. The impact of the economic climate on the real estate market has resulted in a continued modest increase in property values, even with a pandemic.

Non-Ad Valorem Taxes

Other major source of General Fund revenues are in the form of non-ad valorem taxes, including garbage. Also considered non-ad valorem are the gas tax, utility tax (electric) permit fees, franchise fees, state shared revenues, charges for services (solid waste), fines, and other miscellaneous revenues.

Fund Balance Appropriated

There is a delicate balance between maintaining a healthy reserve and allocating the necessary funds to maintain systems; however, a normal fund balance should range between 15-20% of the operating budget. We expect that this budget will end the year with a fund balance in the general fund of \$2,604,410, which is 39% of the total general fund expenditures.

General Fund

The proposed General Fund budget is \$9,277,526, a 4% increase from the FY19-20 amended budget of \$8,917,849. The increase is mostly due to the increase in the ending fund balance of \$227,928 (revenues over expenses).

Other major sources of revenue are considered non ad valorem taxes and consist of State Revenue Sharing, Franchise Fees, Local Option Gas Tax, and Utility Service Tax, Permit, and Special Assessments, grants, charges for services for solid waste, public safety, fines, and miscellaneous revenues.

The chart below depicts the breakdown of various revenue types and compares FY2019-20 to the FY2020-21 budget (minus reserves).

Stormwater Fund

Charges for Stormwater fees are assessed by the appraiser at Orange County in units and applied at \$120/unit. Even though the rate was increased, our stormwater infrastructure still needs major repairs and replacement. It will be necessary to raise stormwater fees next year.

| REVENUE | FY 19/20 AMENDED | FY 20/21 PROPOSED |
|-----------------------|---------------------|----------------------|
| Ad Valorem Taxes | 3,324,398 | 3,524,598 |
| Other Taxes | 584,684 | 417,000 |
| Licenses and Permits | 254,400 | 418,000 |
| Intergovernmental | 1,498,229 | 1,454,460 |
| Charges for Services | 647,472 | 671,486 |
| Fines and Forfeitures | 115,000 | 382,500 |
| Miscellaneous Revenue | 122,643 | 33,000 |
| TOTAL REVENUES | 6,546,826 | 6,901,044 |

Charter School Debt Service Fund

Revenue for this fund is derived from rent revenue received from Cornerstone Charter Academy and is based on the student enrollment count. This year, the count is anticipated to be 1,486. Each student is assessed \$700, which brings the total rent to \$1,040,141.

FXPFNDITURES

General Fund

The General Fund is used to account for all expenditures that are not restricted to specific purposes or otherwise required to be accounted for in another fund. General fund dollars are used to support such City services as police, public works, as well as planning and administrative support services. Services and programs currently budgeted have been maintained. In addition, funding is included for a new work order system and also for a financial "dashboard" information center that is on the City's website under the finance department page, continued updating and rewriting of the City Code of Ordinances, Land Development Codes, and Comprehensive Plan, and replacement of equipment in the Public Works Department. Total General Fund expenditures are \$131,749 (2%) above the amended FY19-20 budget.

Police

The Belle Isle Police Department promotes public safety through service, integrity, and professionalism and in partnership with the community and other governmental agencies to:

- 1. Prevent and deter crime
- 2. Enhance the safety of the traveling public through education and enforcement
- 3. Safeguard property and protect individual rights
- 4. Improve the quality of life of those the department is entrusted to serve.

The department consists of nineteen full-time certified police officers dedicated to keeping the citizens of Belle Isle safe. The force is comprised of one Police Chief, one Deputy Chief, two Patrol Sergeants, one Detective Sergeant, two Corporals, twelve Patrol Officers (three of which are marine patrol), one School Resource Officer, one Community Service Officer, one Administrative Assistant, and five Crossing Guards. The School Resource Officer is primarily funded by the Cornerstone Charter Academy.

Belle Isle police officers are on duty 24 hours per day, seven days a week, every day of the year. Officers participate in continuous training to maintain their law enforcement skills, Florida Department of Law Enforcement certifications, and

ensure they are up to date on the ever -changing state, federal and local laws. The Belle Isle Police Department contracts with the Orange County Sheriff's Office Communications Division to provide dispatching services for our officers. Our Department works closely with the all law enforcement agencies in Central Florida and has current Memorandums of Understanding (MOU) with all agencies in Orange County and the Florida Department of Law Enforcement.

Expenditures in Police

Projected operating expenditures for the Belle Isle Police Department are \$122,124 above the FY19-20 amended budget. Most of the increase is due to the implementation of the Police Pay Plan.

Public Works Services

The Public Works Department ensures the health, safety, and public welfare of the community by managing and maintaining infrastructure and coordination of the maintenance of other infrastructure in the City. Services also

include maintaining streets, government facilities, and public lands, including the city's park and greenway system, performing safety inspections, and staffing public events. The Department consists of 3 employees: 1 public works manager and two public works technicians. In partnership with other agencies and through contracts, services also include solid waste management including trash and recycling collection, tree debris and limb collection, street sweeping, and streetlights.

Expenditures in Public Works

Over the past few years, the department

has undertaken additional responsibilities

without increasing staff. Four Belle Isle

patrol officers are also certified Marine

Patrol Officers. They work part-time in

partnership with the Orange County

Sheriff's Office Marine Patrol Unit and the

Florida Wildlife Commission to patrol the

Conway Chain of Lakes and enhance the

safety of all residents and visitors through

Department participates in and/or sponsors

enforcement.

and

education

The proposed Public Works Dept. budget decreased by \$138,186 from the amended FY19 -20 budget, primarily due to the major construction at Gene Polk Park being completed and the purchase of capital equipment. Capital outlay for equipment is for the purchase of a mini-excavator, which will reduce the dependence on contractors for small excavations. Orange County continues to provide the majority of street sweeping services to the City as part of the Lake Conway Navigation Advisory Board budget. Capital projects scheduled for this year are to mill and pave certain streets in District 3 that were not

> done two years ago and improvements to Cross Lake Park.

Planning and Zoning

The City's Planner works with issues of public interest in Belle Isle and the surrounding area that relate to short term and long term land use, transportation, zoning, comprehensive plan, and environmental concerns. This is a contracted position. In addition, the Planner provides technical assistance to the City Manager, P & Z board, and the general public in matters relating to the physical and strategic growth of the City. The Planning Department is further

involved in the development, administration, and enforcement of a wide variety of development ordinances (zoning, signage, subdivisions, watershed protection, floodplain prevention, etc.).

Expenditures in Planning and Zoning

As this is a contracted position, the proposed budget for this department remains the same. The contract for the Planner is \$6,250/month, which includes assisting the City with annexation reports and procedures.

Other Departments in the General Fund

Governing Board

These departments are budgeted approximately \$3,500 less than the current budget, primarily due to the reduction in travel and per diem and the cost of the annual audit.

Administration

This department is budgeted \$21,337 less than the current budget due to the elimination of the Social Media position and not budgeting capital equipment.

General Government

This department is budgeted approximately \$41,799 more than the current budget, primarily due to the increase in the Fire Services payment (an increase of \$95,580). The City recently contacted Orange County to see if the payment for this year could remain the same, but the City was told that it would not stay the same.

General Fund Ending Fund Balance (Reserves)

It is projected that at the end of FY20-21, the City will have an unrestricted ending fund balance of approximately \$2,604,410, subject to economic shifts during the year. This is \$274,901 more than the amended FY19-20 budget.

STORMWATER FUND

Annual Operations

Belle Isle's Stormwater Fund consists of the equipment and projects necessary to maintain the City's stormwater systems. Responding to an increase in the cost of stormwater maintenance and repairs, the City Council increased the stormwater rate by an additional \$10/EDU.

Expenditures

The proposed budget for this fund is \$473,239, a decrease of \$38,985 from the current budget. The City is having issues with the drainage swales that will be looked at this year with in-house forces.

The projects scheduled for this year are listed above; however, if any emergencies arise, then these projects may be delayed as funding will be used for the emergency. The fund's reserve is still at a low level; however, we expect the reserves over the next few years to increase because the major one-time projects should be completed.

OTHER FUNDS

TRANSPORTATION IMPACT FEE FUND

The Transportation Impact Fee Fund receives revenue from development as development puts a strain on existing levels of service. An impact fee is a form of user fee for raising capital for a future outlay of the cost of expanding facilities demanded by new development. In order to determine future needs, a traffic study was done city-wide to determine where the City will need to expand its infrastructure and roadways in the future.

LAW ENFORCEMENT EDUCATION FUND

The Law Enforcement Education fund receives revenue from traffic violations. The fund can only be used for Police officer training.

CHARTER SCHOOL DEBT SERVICE FUND

The Charter School Debt Service Fund pays for the debt on the Cornerstone Charter Property and major equipment repair and replacement. Revenue is received based on student count. The City developed a capital facilities plan and restricted use of finds to that plan. The City anticipates work on the Field House roof this year with a cost of \$114,000.

PERSONNEL & BENEFITS

The City Council approved a new Police Pay Plan to start at the beginning of this fiscal year and a 3% COLA for employees not covered under the Police Pay Plan. There will be no new hires this year. The only hiring will be to replace employees who leave during the year.

CONCLUSION

This budget has been prepared in accordance with the provisions of the City Charter, Section 5.02. It includes details and explanations of proposed budget items as well as a line by line comparison of the proposed budget and current budget.

I want to thank the Council for all of your efforts in this unprecedented year of change. Your commitment to our employees has been exceptional, and the response of the community as a whole to the COVID-19 Pandemic has been truly amazing.

The City is very fortunate to have a healthy reserve in the General Fund. Over the past few years, we used to reserve for needed projects, but we have rebuilt it to a good level. With little commercial property in the City, the City has to rely on residential property taxes to pay for these projects. Throughout the FY20-21 year, the staff will present additional revenue sources to the Budget Committee for their review and recommendation to Council. One such revenue is additional road impact fees for commercial development, and for residential development, we will look at adding impact fees for Police, Fire, and Parks.

In closing, I want to thank a great city team (administrative staff, Police and Public Works) for all the hard work during this Pandemic to keep the City safe and operating.

A copy of this budget has been filed with the City Clerk and is available for inspection at City Hall. Notice of submission of this budget and the public hearing will be provided to the media as required by law. A copy of this budget will be available on the City's website to facilitate its examination by our citizens. In closing, I would like to express my sincere thanks and appreciation to the Mayor and Council and Budget Committee members for their input, to Finance Director Tracey Richardson for her exceptional institutional and financial knowledge, and to the department heads for their efforts in preparing this budget. I realize it may be disheartening to spend as much time and effort developing the budget only to see we are likely to be making other reductions throughout the year due to the economic impacts of COVID-19, but we will get through this together.

CITY PROFILE

The City of Belle Isle is a residential community located in southeastern Orange County, in the heart of Central Florida and surrounding beautiful Lake Conway.

Florida

Once a Native American oasis, Belle Isle was formed by area residents and incorporated in 1924 to protect Lake Conway and the beautiful, natural environment of the area. Belle Isle's first citizens and interim Mayor C.H. Hoffner unanimously voted on the City's name, which resembles the French phrase for "beautiful island". Arthur Q. Lancaster later served as the first elected mayor.

In 1928, Belle Isle was annexed back into Orange County but reinstated in 1954. The State of Florida later recognized the City of Belle Isle's charter in 1972.

The City is 5.12 square miles in area with an estimated population of 7,365 based on the 2019 Official Population Estimate prepared by the University of Florida, Bureau of Economic & Business Research.

The City of Belle Isle operates under a council/manager form of government, with an appointed City Manager, seven elected City Commissioners and a separately elected Mayor. The City Manager is responsible for overseeing the day-to-day operations of the City, carrying out the policies and ordinances of Council, preparing the budget for Council's consideration, and appointing the heads of various departments. The Mayor is the ceremonial head of the City of Belle Isle, serves as the liaison for intergovernmental relations as delineated in the City Charter, and is responsible for conducing city council meetings. City Commissioners are the legislative powers of the City of Belle Isle and may by ordinance or resolution prescribe the manner in which any power of the City of Belle Isle shall be exercised, including adopting the budget, hiring the City Manager, and appointing committees.

MISSION

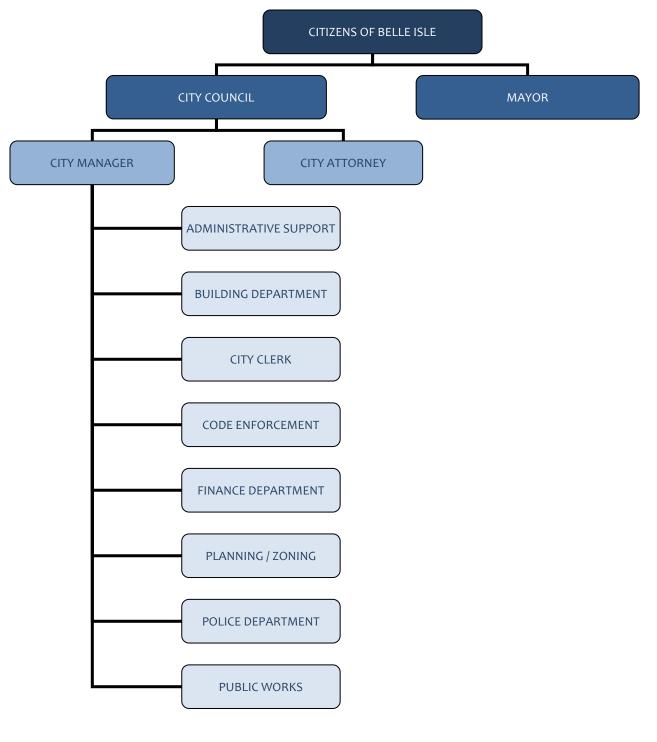

Belle Isle's City Council strives to preserve the community's quality of life and identity, and to provide needed services to Belle Isle residents through careful and meaningful growth and sound fiscal control.

VISION

To be Central Florida's premiere community where residents and businesses can thrive in a healthy environment, centered on Lake Conway, with the support of a responsive city government.

The Law Enforcement Education Fund is a special revenue fund to account for revenues received pursuant to Florida Statutes, which imposes a \$2.00 court cost against persons convicted for violations of criminal statutes. Funds must be used to educate and train law enforcement personnel.

CHARTER DEBT SERVICE FUND (201)

The Charter Debt Service Fund is a debt service fund to account for the lease revenue received from the Charter Schools. The lease revenue is used to pay the debt service on the Charter bonds as well as repairs and maintenance of the Charter schools as required in the lease agreement.

CAPITAL EQUIPMENT REPLACEMENT FUND (301)

The Capital Equipment Replacement Fund was created to set aside and restrict funds to be used for the replacement of capital equipment throughout the City.

RIGHT OF WAY FUND (302)

The Right of Way Fund was first included in the FY 2019/2020 budget to account for the right-of-way activities of the City to include street resurfacing, sidewalks, etc. However, the City decided not to move forward with the new revenue stream to create this fund so the need for this fund was eliminated. This fund is reported in FY 2020/2021 only to reflect the original budget of 2019/2020.

REVENUE BOND SERIES 2012

In October 2012, the City of Belle Isle issued Charter School Lease Revenue Bonds, Series 2012, in the amount of \$9,625,000. The proceeds of the Bonds were used to finance the costs of acquisition of charter school facilities located with the City of Belle Isle. The City is leasing these facilities to the City of Belle Isle Charter Schools, Inc. (the "Charter Schools") pursuant to the Lease Agreement dated October 1, 2012. The Charter Schools are obligated to make base rent payments under the Lease in a total amount sufficient to pay all sinking fund installments of the 2012 Bonds until maturity in 2042. Under the Lease, all Charter School revenues are pledged to the payment of base rent to the City.

For FY 2020/2021, the City has budgeted the following for repayment of this loan:

Charter Debt Service Fund (201)

Principal \$ 185,000 Interest \$ 515,000 \$ 700,000

REVENUE BOND SERIES 2016

On September 27, 2016, the City of Belle Isle issued FMLC Refunding and Improvement Revenue Bonds, Series 2016, in the amount of \$935,000 to refund FMLC Revenue Bonds, Series 2006. The \$935,000 loan is secured by a covenant to appropriate in the annual budget the amount of non-ad valorem revenues to satisfy repayment.

For FY 2020/2021, the City has budgeted the following for repayment of this loan:

General Fund (001)

Principal \$ 95,000 Interest \$ 18,000 \$ 113,000

REVENUE BOND SERIES 2020

In September 2020, the City of Belle Isle anticipates issuing FMLC Capital Improvement Revenue Bonds, Series 2020, in the amount of \$2,551,281 for the purchase of real property located at 6300 Hansel Avenue for \$2,000,000 to either be converted into a police station or an educational facility. In addition, the City anticipates using \$500,000 to purchase additional parcel(s) and/or to fund stormwater capital improvements. The loan is secured by a covenant to appropriate in the annual budget the amount of non-ad valorem revenues to satisfy repayment.

For FY 2020/2021, the City has budgeted the following for repayment of this loan:

General Fund (001)

Principal \$ 95,000 Interest \$ 18,000 \$ 113,000

Stormwater Fund (103)

Principal \$ 20,668 Interest \$ 10,795 \$ 31,463

City of Belle Isle, Florida SECTION THREE—GENERAL FUND

General Fund Revenues

Adopted Budget 2020-2021

AD VALOREM TAXES

BUDGET

Ad Valorem Taxes, commonly referred to as property taxes, represent the single largest revenue source for the City. For the 2020/2021 budget year, ad valorem tax revenue accounts for 51% of the total budgeted general fund revenue.

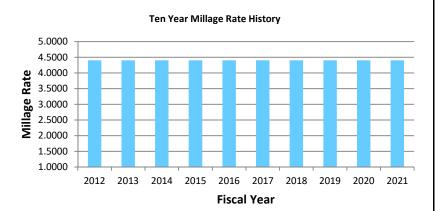

Ad valorem taxes are levies on the taxable value of real and personal property within the Belle Isle city limits. The amount of revenue received through ad valorem taxes is based upon the taxable value of the property and the millage rate set by the City.

The Orange County Property Appraiser's office establishes the taxable value each year by determining the assessed value less any applicable exemptions. By July 1st of each year, the property appraiser certifies the taxable value to each taxing authority on Form DR-420.

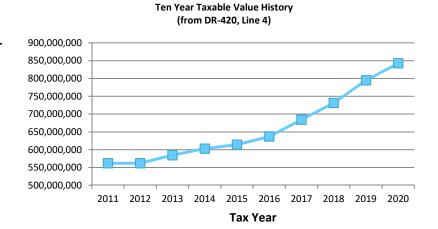

Each year during the budget process, the City must determine and set the millage rate. One mill is equal to \$1 of tax per \$1,000 of taxable assessed value. The rolled back rate is the millage rate that would yield the same amount of revenue as collected in the prior year. If the property values increased over the prior year, setting a millage at the same rate as the prior year would be reported as a tax increase.

For the budget year 2020/2021, the rolled back rate was calculated at 4.1576 mills. Council approved a millage rate of 4.4018, which represents a 5.87% increase over the rolled back rate. Looking at a ten year history, the City of Belle Isle millage rate has remained unchanged.

OTHER TAXES

Local Option Gas Tax

Local Option Gas Tax is a 1 to 6 cent fuel tax on every net gallon of motor and diesel fuel sold within Orange County. The collected revenue is shared between the county and each municipality within the county as per interlocal agreement and based upon population estimates presented by the Bureau of Economic and Business Research. The City of Belle Isle receives approximately a half percent of the distribution.

Utility Service Tax

Utility taxes are levied by the City on the sale of natural gas. The City of Belle Isle imposes and levies a three percent tax upon each purchase of metered or bottled gas (natural, liquefied petroleum gas or manufactured), within the City.

Communications Services Tax

Communication Services Tax is imposed on retail sales of telecommunications, video, direct-to-home satellite, and related services. This encompasses voice, data, audio, video, or any other information or signals transmitted by any medium. Examples of services subject to the tax include, but are not limited to, local, long distance, and toll telephone; voice over Internet protocol telephone; video services; video streaming; direct-to-home satellite; mobile communications; private line services; pager and beeper; telephone charges made at a hotel or motel; facsimiles; and telex, telegram, and teletype. The local communications services tax rate for the City of Belle Isle is 5.22%.

Local Business Tax - Occupational Licenses

The City of Belle Isle charges a fee to each business operating within the City. Commercial businesses are required to pay an annual fee of \$50 and residential businesses are required to pay an annual fee of \$25.

LICENSES AND PERMITS

Licenses and Permits include all building permits issued within the City, zoning fees, garage sale permits, boat ramp decals/registration, tree removal permits, the permit for having a rental property in the City, and commercial solid waste franchise fees. For Building Permits Revenue, the City retains 20% and remits 80% back to Universal Engineering under Building Permit Expenditures. Also, beginning in 2020/2021, the City will be implementing franchise fees on electricity and residential solid waste.

INTERGOVERNMENTAL

Intergovernmental Revenue includes State Shared Revenue, Half-Cent Sales Tax, and the School Resource Officer reimbursement from Cornerstone Charter.

CHARGES FOR SERVICES

Charges for Services include the fees collected for special events and the fees the City charges to provide solid waste service. Solid waste fees are assessed against all residential developed real property located within the City boundaries and is collected as a non-ad valorem assessment on tax bills.

FINES AND FORFEITURES

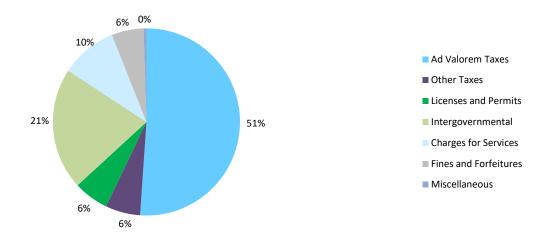

Judgements, Fines, and Forfeit revenue include the collection of judgments, parking fines, and moving violations written within the Belle Isle city limits. Also, beginning in FY 2020/2021, the City will collect revenue for red light cameras.

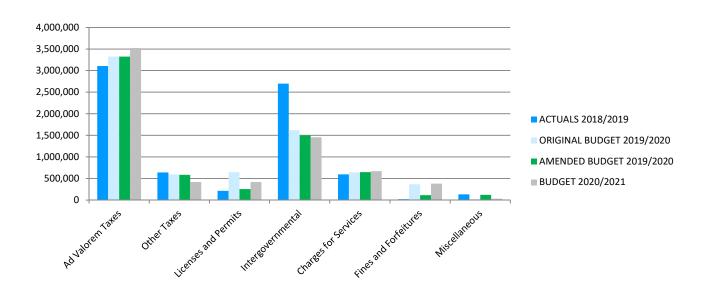

MISCELLANEOUS REVENUE

Miscellaneous Revenues are revenues that do not fall within the definition of any of the other revenue groups previously described. These revenues include interest earnings and police off-duty and marine patrol reimbursements.

EXPENDITURES SUMMARY LEGISLATIVE

Department 511 Legislative

All legislative powers of the City of Belle Isle are vested with the City Commissioners. They may by ordinance or resolution prescribe the manner in which any power of the City of Belle Isle shall be exercised, including adopting the budget, hiring the City Manager, and appointing committees. There are seven (7) City Commissioners, one from each of the seven (7) districts within the City. They are elected at large and serve for a term of three (3) years.

City of Belle Isle, Florida SECTION FOUR—OTHER FUNDS

Fund 302 Right of Way Fund

Right of Way Fund 302

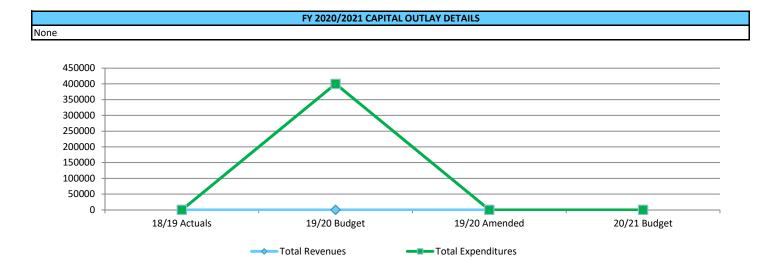

The Right of Way Fund was first included in the FY 2019/2020 budget to account for the right-of-way activities of the City to include street resurfacing, sidewalks, etc. However, the City decided not to move forward with the new revenue stream to create this fund so the need for this fund was eliminated. This fund is reported in FY 2020/2021 only to reflect the original budget of 2019/2020.

ENDING FUND BALANCE

No Fund Balance exists because the Right of Way Fund was never officially created.
