

HURRICANE PREPAREDNESS

Please call the Belle Isle Police Department non-emergency number if you need assistance at (407) 836.4357.

**FOR EMERGENCIES,
CALL 911.**

SPECIAL NEEDS RESIDENTS

The City of Belle Isle Police will be checking on our residents whom we know to have special health needs, I would like to ask you to please consider checking on any of your neighbors who may be elderly or who may have special needs during this time.

City Updates—Sept 3rd

City Boat Ramps:

The City of Belle Isle is monitoring Hurricane Dorian and we are prepared to respond to any issues. For your safety, we are strongly advising all boats to stay off Lake Conway starting Tuesday due to potential high winds and rough conditions. If conditions warrant, all City boat ramps will be closed. Please ensure all vessels and other items on your property are secured.

Republic Services:

Yard, Garbage and Recycling Collection

Due to the delayed landfall for Hurricane Dorian, there is no further [curbside collection until after the storm](#).

The current expected path of Hurricane Dorian may result in some of our offices adjusting their days of pick-up. We will continue to monitor the hurricane closely and will make those determinations as necessary for the safety of Belle Isle residents and our staff.

Please remember, to secure all roll carts, garbage bins, large items and yard waste, including tree trimmings, which might become projectiles in the storm. Bring the material into the garage, shed or closer to the home, but not near the curb where it could block storm drains.

Be safe.

OFFICE CLOSED - Sept 3rd City Council Meeting Rescheduled

The City of Belle Isle Government office will be closed for normal business on Tuesday, Sept 3rd after 3 pm. The City of Belle Isle Budget Meeting scheduled for September 3rd at 6:30 pm is canceled and will be rescheduled.
