Light the Way

Santa Ride

This year, the Santa Ride will take place over two days, **December 18th and December 19th**. Having the ride over two days allows for more time at Santa Stops and also allows families to attend either night so that they won't miss the ride. Santa will only stop at those places shown on the map. Of course, you can still see Santa anywhere along the route, but he will not stop until a designated stop. We programmed the stops where we believe there is the greatest amount of children based on past years. We will do the best that we can to be at the Santa Stops at the time shown, but it depends on traffic and weather conditions. However, we do not expect families to be waiting for longer than five minutes before Santa's arrival.

On the nights of the ride, you can call the lead reindeer at 407-450-6272 with questions, but remember, if you call, be nice, or Santa may give you a lump of coal in your stocking.

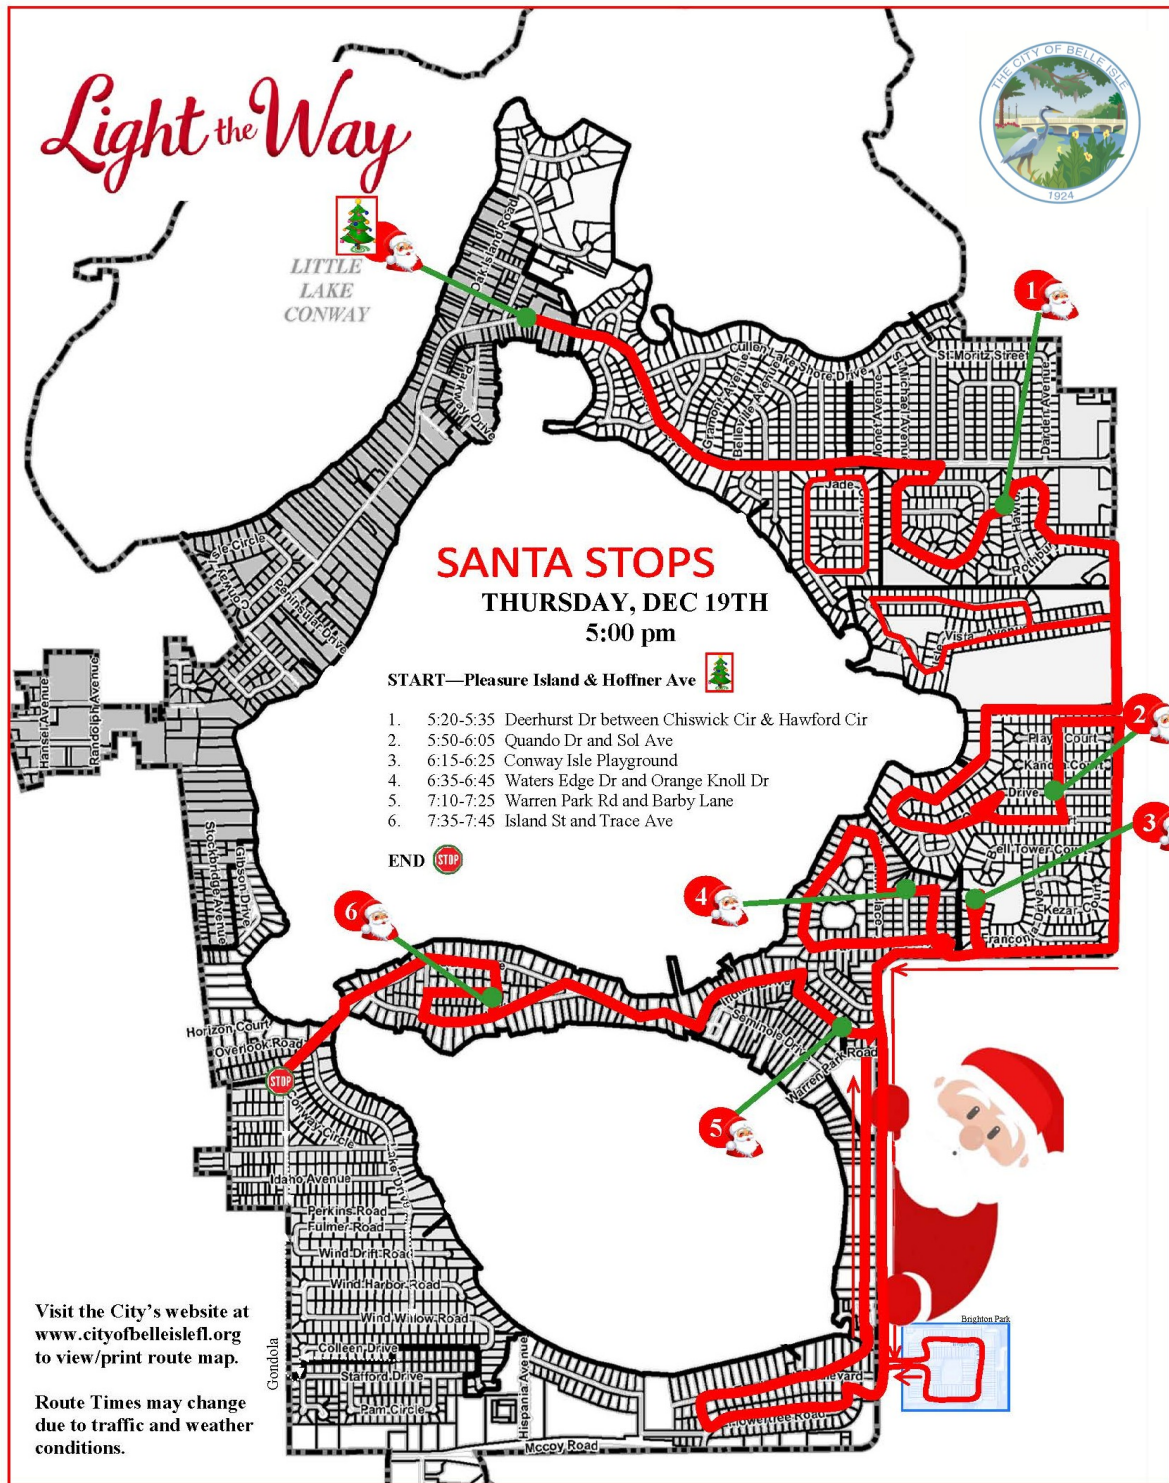

The City of Belle Isle, FL
